## FURTHER TERMS AND CONDITIONS

<b>Allocation of Units</b>	<p>All units will be allocated at the net asset value per unit, which is calculated at the close of business on the trading day next following receipt of an application for the subscription of units. If an application is received and approved and the necessary funds have been received and cleared before 12:00 noon on a trading day, then the order will be processed that day using the net asset value for units as at that trading day. Applications received after 12:00 noon on a trading day or on a day that is not a trading day, will be processed using the net asset value per unit as determined on the next trading day. A trading day is Monday. If Monday is a holiday then the next trading day is Wednesday.</p>
<b>Minimum Amounts</b>	<p>Each of the Funds is subject to a minimum subscription amount and minimum balance amount as set out in the prospectus. If the balance falls below the minimum, units may be redeemed (and the value returned to you) and your account(s) closed at the discretion of the trustees and/or GBTI.</p>
<b>Reinvestment of Distribution</b>	<p>Any distributions paid on units (after deduction of tax where applicable) will be automatically reinvested without charge in additional units at the net asset value per unit as at the close of business on the trading day of payment of such distribution. An investor may, however, exercise the option for distributions to be sent directly to the investor by cheque.</p> <p>The provisions of this application with respect to the reinvestment in additional units as a result of distributions paid shall constitute a subscription for such securities by the investor</p>
<b>Redemption of Units</b>	<p>Units will be redeemed at the net asset value per unit determined on the trading day next following receipt of an application for redemption of units. After an application is received and approved before 12:00 noon on a trading day, the order will be processed that day using the net asset value for units as at that trading day. Applications received after 12:00 noon on a trading day or on a day which is not a trading day will be processed using the net asset value per unit as determined on the next trading day.</p> <p>Units may be redeemed up to a limit of GYD 2,000,000.00/USD 10,000.00 or 1%, of the net asset value of the respective Fund, whichever is lower. Should a redemption request by the investor exceed this limit, units in excess of the limit may, at the sole discretion of the Trustees, be redeemed utilizing procedures outlined in the Trust Deed, namely that the Trustees may delay, suspend or continue a suspension of the redemption of units or permit a partial redemption. The Trustees shall advise the investor of their decision on whether they will delay, suspend or continue a suspension of the redemption of units or permit a partial redemption of units within 24 hours of the investor's request. The investor will be entitled to withdraw the request for redemption or receive payment based on the net asset value when next determined after the termination of the delay, suspension or decision to redeem in part imposed by the Trustees.</p>
